I. INTRODUCTION

The Plaintiffs in this action are National Fair Housing Alliance, Inc., a nationwide alliance of private, non-profit fair housing organizations whose mission includes advocating for the rights of people with disabilities to accessible housing; Fair Housing of Marin, Inc., located in San Rafael, California; Fair Housing Napa Valley, Inc., located in Napa, California; Metro Fair Housing Services, Inc., located in Atlanta, Georgia; and Fair Housing Continuum, Inc., located in Cocoa, Florida (collectively referred to herein as "Plaintiffs").

Defendants A.G. Spanos Construction, Inc.; A.G. Spanos Development, Inc.; A.G. Spanos Land Company, Inc.; A.G. Spanos Management, Inc.; and The Spanos Corporation (collectively referred to herein as "Spanos") are California corporations engaged in land acquisition, development, construction, and management of multifamily apartment complexes throughout the United States. Most of the multifamily apartment complexes that are the subject of this Action no longer are owned by Spanos.

Plaintiffs filed a Complaint against Spanos on June 20, 2007. On October 12, 2007, Plaintiffs filed a First Amended Complaint ("FAC") against Spanos, Knickerbocker Properties, Inc. XXXVIII ("Knickerbocker") and Highpointe Village, L.P ("Highpointe"). Knickerbocker and Highpointe are being dismissed with prejudice. This action is entitled *National Fair Housing Alliance, Inc., et al. v. A.G. Spanos Construction, Inc., et al.*, United States District Court, Northern District of California, Case No. C07-3255-SBA (referred to hereinafter as the "Action"). The FAC alleges that since 1991, Spanos has engaged in a continuous pattern and practice of discrimination against people with disabilities by designing and/or constructing

multifamily dwellings and common- and public-use areas associated with those dwellings in such a manner as to deny people with disabilities full access to, and the use of, these facilities in violation of the Fair Housing Amendments Act ("FHAA"), 42 U.S.C. § 3604(f)(1), (f)(2) and (f)(3)(C).¹

At all times, Spanos has denied, and continues to deny, the allegations in the Complaint and FAC.

Plaintiffs and Spanos desire to resolve this Action voluntarily and, to that end, they have agreed to the following terms upon which this Action may be fully and finally resolved and have stipulated to the Court's entry of this Stipulated Judgment.

Plaintiffs and Spanos agree to cooperate in submitting this Stipulated Judgment to the Court for execution. None of the terms of this Stipulated Judgment shall have any force and effect unless and until Final Judgment is entered, as that term is defined in Section III H.

The purposes and terms of this Stipulated Judgment are as follows:

II. PURPOSES OF THIS STIPULATED JUDGMENT

WHEREAS, Plaintiffs seek by this Action to: ensure, by the means set forth in this Stipulated Judgment, that Covered Multifamily Dwellings designed and/or built by Spanos are in accord with the requirements of 42 U.S.C. 3604(f)(3)(C) or that adequate equivalency through a retrofitting fund is achieved so as to offset the alleged loss of accessible units to the nation's housing market; ensure equal opportunity for all people with disabilities (FAC, ¶ 15); promote

¹ The FHAA uses the term "handicap" instead of the term "disability." Both terms have the same legal meaning. *See Bragdon v. Abbott*, 524 U.S. 624, 631 (1998) (noting that definition of "disability" in the Americans with Disabilities Act is drawn almost verbatim "from the definition of 'handicap' contained in the Fair Housing Amendments Act of 1988"). This document uses the term "disability," which is more generally accepted.

equal housing opportunities for people with disabilities (FAC, ¶ 16); aid home seekers with disabilities, housing industry groups, and provide assistance to disabled victims of discrimination through investigation and litigation of FHAA violations (FAC, ¶ 17); and eliminate housing inequities for all people with disabilities through enforcement actions (FAC, ¶ 18);

WHEREAS, Plaintiffs acknowledge that the interests of all people who have been injured and/or damaged due to alleged violations of the FHAA at the Subject Properties are aligned with the Plaintiffs;

WHEREAS, Plaintiffs acknowledge that in the Action they have been acting in a representative capacity for all people who have been injured and/or damaged by alleged violations of the FHAA by Spanos at the Subject Properties;

WHEREAS, Spanos denies that Spanos violated the FHAA or that Spanos committed any discrimination. Spanos agrees to enter into this Stipulated Judgment for settlement purposes only, and neither the entry of this Stipulated Judgment, its terms, nor any action taken under this Stipulated Judgment shall be construed as an admission by Spanos of any fault or wrongdoing, or as an admission of the validity of any claims made by the Plaintiffs;

WHEREAS, Plaintiffs and Spanos hereby stipulate to this Stipulated Judgment in order to fully and finally resolve the claims raised, or claims which could have been raised, in this Action;

WHEREAS, Spanos asserts that if there are deficiencies in compliance with federal, state, or local laws at the Subject Properties, which Spanos denies, there was no intent by Spanos to avoid the requirements of federal, state, or local laws;

WHEREAS, Plaintiffs and Spanos engaged in arms-length negotiations over accessibility issues regarding the Subject Properties. Plaintiffs and Spanos each hired experts with experience in addressing accessibility issues. Plaintiffs hired William Hecker (“Hecker”) of William Hecker & Associates, Inc., and Spanos hired Jack Catlin (“Catlin”) of LCM Architects (“LCM”);

WHEREAS, Hecker and Catlin surveyed numerous Retrofit Properties;

WHEREAS, this Action is national in scale, scope, and concern. Plaintiff National Fair Housing Alliance, Inc. is a national organization solely dedicated to ending housing discrimination and promoting residential integration. Plaintiffs allege that Spanos’s extensive and continuing civil rights violations at numerous apartment complexes throughout the United States have thwarted Congressional efforts to eradicate housing discrimination against people with disabilities. Plaintiffs’ interests are aligned with, include, and overlap with the public interest in fair housing as defined, interpreted, and used in *Spann v. Colonial Village, Inc.* 899 F.2d 24, 31 (D.C. Cir. 1990). As such, at all times during the Action, Plaintiffs have been acting as private attorneys general to enforce the values and objectives reflected in the FHAA and to vindicate the public interest and a policy that Congress considers to be of the highest priority. (*Trafficante v. Metropolitan Life Insurance Co.* 409 U.S. 205, 211 (1972); *Moseke v. Miller and Smith, Inc.* 202 F. Supp. 2d 492, 499 (E.D. Va. 2002)); and

WHEREAS, Plaintiffs and Spanos further agree that the controversy should be resolved without further proceedings.

IV. JURISDICTION AND SCOPE OF THE STIPULATED JUDGMENT

The Parties freely, voluntarily, and without coercion agree to the entry of this Stipulated Judgment and, to that end, the Parties stipulate, and

THE COURT, HAVING CONSIDERED the pleadings, law, and underlying facts,
FINDS AS FOLLOWS:

A. This Court has personal jurisdiction over Plaintiffs and Spanos for purposes of this Action and jurisdiction over this Action pursuant to 28 U.S.C. §§ 1331 and 1332, and 42 U.S.C. § 3613, subdivision (a);

B. The provisions of this Stipulated Judgment shall be binding upon Plaintiffs and Spanos;

C. This Stipulated Judgment shall be deemed as adjudicating, once and for all, the merits of each and every “Claim” (as defined in Section XV A, below), matter, and issue that was alleged, or could have been alleged, in the FAC or any other pleading in this Action.

Accordingly, res judicata and collateral estoppel shall apply to each and every such Claim,

matter, and issue so that the Plaintiffs are forever barred from litigating such Claims, matters, and issues;

D. Entry of this Stipulated Judgment is in the public interest;

E. This Stipulated Judgment is for settlement purposes only and does not constitute an admission by Spanos of any of the allegations contained in the FAC or any other pleading in this Action;

F. Plaintiffs are acting as private attorneys general in maintaining this Action and enforcing the FHAA against Spanos at the Subject Properties;

G. In making the findings herein and fashioning the remedy, the Court has considered, inter alia:

1. The FHAA gives the Court the authority to fashion an appropriate remedy in this Action:

. . . [The district court] may grant as relief, as the court deems appropriate, any permanent or temporary injunction, temporary restraining order, or other order (including an order enjoining the defendant from engaging in such practice or ordering such affirmative action as may be appropriate).

(42 U.S.C. § 3613(c)(1).)

2. The Court is “guided by general principles of equity.” (*Baltimore Neighborhoods, Inc. v. Lob Inc.*, 92 F.Supp.2d 456, 468 (D.Md. 2000).)

3. When applying the general principles of equity to achieve a balanced and fair result, the Court must be flexible and take into account public and private needs:

Equitable remedies are a special blend of what is necessary, what is fair, and what is workable. Traditionally, equity has been characterized by a practical flexibility in shaping its

remedies and by a facility for adjusting and reconciling public and private needs.

* * *

The principal limitation on the court's equitable powers is that the relief should be no broader and no more burdensome than necessary to provide complete relief to the plaintiff.

(*Id.* at p.468.)

4. Equitable remedies include relief in the form of a retrofit of a specific barrier and/or establishing a retrofit fund to be used for making other dwellings in the nation's housing market handicapped accessible:

The Court further finds that affirmative action relief in the form of retrofitting or a retrofitting fund is an appropriate remedy

(*Id.* at p.467.)

Another alternative . . . is only to establish a retrofitting fund to make other dwellings . . . handicapped accessible. The Court agrees that making other dwellings . . . handicapped accessible furthers the purposes of the FHAA.

(*Id.* at p. 473.)

H. This Action addresses allegedly non-compliant Covered Multifamily Dwellings designed and/or constructed by Spanos which are located throughout the United States. In light of the scope of this litigation and the inherent complexities it presents, this Stipulated Judgment employs a combination of remediation measures, including the retrofitting of certain properties and providing equivalency through the Retrofitting Fund to be used for the alleged loss of accessible units to the nation's housing market. The measures in this Stipulated Judgment satisfy

equity by achieving what is necessary, fair, and workable. The measures are practical, and fairly adjust and reconcile public and private needs. The measures in this Stipulated Judgment satisfactorily address the alleged loss of accessible units to the nation's housing market. Accordingly, the measures herein fully and completely satisfy the letter and spirit of the FHAA regarding each of the Subject Properties; and

I. The combination of remedies mandated by this Stipulated Judgment make it "absolutely clear that ... there is no reasonable expectation that the alleged violation[s] will recur; and [that those remedies] have completely eradicated the effects of the violation[s]." (*Halet v. Wend Investment Co.*, 672 F.2d 1305, 1307 (9th Cir. 1982).) Therefore, the Court finds that any further legal or administrative action of any kind, except for the enforcement of this Stipulated Judgment, instituted by any individual or entity arising from, based upon, or connected with the alleged failure to design and/or construct the Subject Properties in compliance with the FHAA would be moot.

V. OWNER IDENTIFICATION AND NOTIFICATION

A. Identification of Owners:

Plaintiffs and Spanos will work cooperatively and will exert all reasonable efforts to identify the Owners of each of the Retrofit Properties, including each Owner's name, mailing address, and telephone number.

B. Notification of Owners:

Spanos shall send notices within thirty (30) days after Final Judgment to the Owners of the Retrofit Properties informing them of the proposed Alterations to their property under the

terms of Section VI below. The language of the notice shall conform to the notice in Appendix D to this Stipulated Judgment.

C. Owners' Failure to Cooperate:

If any Retrofit Property Owner, after notification by the Plaintiffs and/or Spanos of the terms of this Stipulated Judgment as provided in Section V B, refuses to provide access to the Retrofit Property so as to allow Spanos to perform the Alterations in a manner provided for under this Stipulated Judgment, Spanos shall notify Plaintiffs of such refusal, and Plaintiffs shall have twelve (12) months from its receipt of written notice of such refusal to file, in the appropriate United States District Court, a complaint which seeks to enforce the terms of this Stipulated Judgment. Any such action which seeks to enforce the terms of this Stipulated Judgment shall be at Plaintiffs' sole cost and expense, and Plaintiffs shall not seek to recover their attorneys' fees, costs and expenses from Spanos in connection with any such action.

Plaintiffs' right to file any such action shall be subject to, or limited by, the terms of the Performance Protocols. Each and every term of the Performance Protocols is incorporated herein by this reference. In the event that Plaintiffs or any one of them do not timely file an action against any Retrofit Property Owner then in lieu of Spanos's obligation to make any Alterations at such Retrofit Property, Spanos shall contribute to the NFHA Housing Accessibility Fund described in Section IX, below, an additional sum as set forth in the Performance Protocols.

D. Payment of in Lieu Amount:

Spanos's obligation to make Alterations to any Retrofit Property is subject to and limited by the terms of the Performance Protocols. Any Retrofit Property identified on Appendix B for which Spanos pays the in lieu amount as set forth in the Performance Protocols shall be deemed forever removed as a Retrofit Property and permanently stricken from Appendix B. Any additional sums due hereunder shall be payable thirty-six (36) months after Final Judgment, unless the date for said payment has been extended by agreement of NFHA and Spanos.

VI. ALTERATIONS AT THE RETROFIT PROPERTIES

A. Alterations Identified in the Consensus Report for the Corresponding Retrofit Property:

A Consensus Report has been completed for each Retrofit Property identified in Appendix B.

B. FHAA Barriers:

The FHAA Barriers to be retrofitted at each Retrofit Property are those barriers identified in the Consensus Report for each respective Retrofit Property. Except for the FHAA Barriers identified in the Consensus Report for each Retrofit Property, Spanos shall have no obligation to make any other Alterations or retrofits at a Retrofit Property. Spanos shall have no obligation to make Alterations or retrofits at any Subject Property which is not a Retrofit Property.

Performance of the Alterations at the Retrofit Properties in conjunction with Spanos's funding of the Retrofitting Fund shall be deemed full compliance with the FHAA by Spanos at the Subject Properties.

If an FHAA Barrier identified by the Consensus Report for a specific Retrofit Property does not exist at that Retrofit Property, or the Retrofit Property complies with an exemption recognized in any Safe Harbor,² no Alteration for the identified FHAA Barrier shall be required. The burden of establishing any exemption recognized by any Safe Harbor shall be on Spanos, and Spanos shall provide to the Inspector and to the Plaintiff sufficient supporting plans, documentation, and calculations in support of its assertion of any exemption for any Covered Unit or common use facilities at a Retrofit Property.

As used herein, the term “FHAA Barriers” (and FHAA Barrier for any one barrier) shall only refer to those items expressly set forth in the Consensus Report for each Retrofit Property, if any such FHAA Barrier in fact exists at the Retrofit Property. An item shall not be identified as an FHAA Barrier if Spanos’s original design and/or construction of the Retrofit Property was in compliance with the FHAA at the time of Spanos’s original construction of the Retrofit Property. The burden of establishing such compliance shall be on Spanos.

Notwithstanding any other section in this Stipulated Judgment to the contrary, Spanos shall have no obligation to retrofit any FHAA Barrier if the FHAA Barrier arises from a remodel, reconstruction, or other alteration by a third party from the original construction performed by Spanos, unless a material factor in causing the FHAA Barrier was Spanos’s failure to design and/or construct the subject Retrofit Property in compliance with the FHAA. Spanos shall have

² Spanos or the Inspector may choose any Safe Harbor for determining the applicable exemption at a Retrofit Property. However, Spanos and the Inspector may not pick and choose among the provisions of different Safe Harbors at the same Retrofit Property. Once a particular Safe Harbor is chosen for use at a particular Retrofit Property, the housing must comply with the provisions of that Safe Harbor as provided under this Stipulated Judgment.

no obligation to retrofit any FHAA Barrier resulting in whole or in part from a natural cause or force (e.g., foliage growth, including tree roots; erosion; settling; flooding; earth movement; and climate, including precipitation, wind, ice, sun and temperature). Spanos shall have no obligation to retrofit any FHAA Barriers resulting from deterioration, wear, tear, use, abuse, degradation, or the passage of time.

C. Deadline for Attempting to Secure Consent from Owners for Permission to Retrofit:

Spanos shall have twelve (12) months after the entry of this Stipulated Judgment to attempt to secure the consent of Owners of Retrofit Properties to have the Alterations performed and shall, no later than thirteen (13) months after the entry of this Stipulated Judgment to notify Plaintiffs which Owners of Retrofit Properties have not consented to the Alterations.

D. Alterations:

Alterations (or Alteration as to any one retrofit) shall mean the actions required to be taken by Spanos to retrofit the FHAA Barriers identified in the Consensus Report for each Retrofit Property. The Alterations may be accomplished by any one of the following: (1) completion of the Alterations in a manner consistent with the Recommended Retrofit contained in the Consensus Report for the corresponding Retrofit Property; (2) completion of the Alterations in a manner consistent with the consensus reached during Catlin and Hecker's surveys of Retrofit Properties; (3) compliance with any Safe Harbor;³ (4) completion of any retrofit in a manner consistent with any agreement reached by Plaintiffs and Spanos; (5)

³ See fn. 2.

compliance with the Performance Protocols agreed to by Plaintiffs and Spanos; or (6) approval of the retrofit by the Monitor.

E. Cost of Alterations:

Spanos agrees to pay all costs of the Alterations.

F. Deadline for Alterations to Common Use Facilities and the Exterior of Covered Units:

Subject to the terms of this Stipulated Judgment and the obtaining of authorization from each specific Retrofit Property Owner, Spanos will use reasonable efforts to complete the Alterations to the common use facilities and the exterior of Covered Units (*e.g.*, the rental office, clubhouse, or accessible routes to and from arrival points to and from covered units) identified in the applicable Consensus Report within eighteen (18) months after the later of Final Judgment or receiving consent from the applicable Owner of the Retrofit Property, unless extended by written agreement between Plaintiffs and Spanos.

G. Deadline for Alterations To The Interior of Covered Units:

Interior Alterations concern the interior of the Covered Units at Retrofit Properties. Subject to the terms of this Stipulated Judgment, the obtaining of authorization from each specific Retrofit Property Owner for said unit, and the Owner obtaining approval from the tenant for each said unit, if necessary, Spanos will use reasonable efforts to complete the interior Alterations identified in the applicable Consensus Report as the units are turned but no later than thirty-six (36) months after the later of Final Judgment or receiving consent from the applicable

Owner of the Retrofit Property, unless extended by written agreement between Plaintiff and Spanos.

H. Notice to Tenants of Availability of Alterations:

Each Retrofit Property Owner will be requested to send to each tenant of a covered dwelling unit at the Retrofit Property a notice informing each tenant of the availability of Alterations under this Stipulated Judgment and that Alterations will be done without cost to the tenant. Any tenant may, on account of his/her own disability or the disability of a family member, request Alterations to his/her covered unit at a Retrofit Property. Upon such a request, Spanos will use reasonable efforts to complete the Alterations relating to the interior of that tenant's Covered Unit within ninety (90) days after Spanos's receipt of the request.

I. Inspections:

Spanos shall inform the Inspector and Plaintiffs in writing of the completion of the Alterations identified in the preceding section at each Retrofit Property. The Inspector shall then either personally conduct an on-site inspection at each Retrofit Property or supervise an LCM employee's on-site inspection at each Retrofit Property. The inspection shall be of a sample of the completed Alterations at the Retrofit Property to determine if the Alterations have been performed according to the terms of this Stipulated Judgment. The Inspector shall give Hecker reasonable notice of the inspection. There shall be no minimum period of time required for any particular notice to be deemed "reasonable." For example, if the Inspector is in the area of a Retrofit Property when the Inspector receives notice that the Retrofit Property is available for inspection, it is "reasonable" for the Inspector to give notice on the same date as the inspection.

The Inspector shall have no obligation to coordinate the date, time or location of any inspection with Hecker. Notice may be given via facsimile transmission, e-mail, voice mail, or any other reasonable method. The Inspector will make a reasonable effort to complete these inspections within thirty (30) days of receiving notice. The inspection sample shall include at least one Covered Unit for each apartment type at a Retrofit Property (i.e., one unit classified as an A Unit [one bedroom], and one unit classified as a B Unit [two bedroom]) including, but not limited to, apartment types identified as "handicapped."

Following the foregoing inspection at each Retrofit Property, the Inspector shall identify any deficiencies in the Alterations that have been performed. Spanos agrees to correct any deficiencies in the Alterations identified by the Inspector. The foregoing inspection process shall be repeated as many times as necessary until the Inspector is satisfied that all Alterations have been performed, except that in lieu of making a repeat on-site inspection, the Inspector, in its sole discretion, may accept photographic evidence, which shows both the location of the measurement and the measurement itself, that a particular Alteration has been performed in accord with Section VI B, above. Spanos will pay all costs and expenses associated with the Inspector.

The Inspector shall fully and impartially perform the duties set forth in this Stipulated Judgment. The Inspector shall issue a written certification in the form of Appendix F that the Alterations have been completed at a specific Retrofit Property, with a copy to NFHA and Spanos. The Inspector may have a Retrofit Property inspected in phases such that the Inspector can elect to inspect the common use facilities as soon as the common use facilities' Alterations

are completed and as soon as a portion of the interior Alterations are completed. Any dispute by Plaintiffs of the Inspector's certification shall be in writing and sent to the Inspector and Spanos within ninety (90) days of the receipt by NFHA of each certificate. If there is any dispute regarding completion of the Alterations which Plaintiffs and Spanos cannot resolve among themselves, the dispute shall be submitted to the Monitor for resolution in accordance with Section XIII. The Inspector's certification, if not challenged by Plaintiffs, shall be deemed final and binding on Plaintiffs and Spanos as to each Retrofit Property upon which a certification is issued and shall fully discharge Spanos from any further obligation under this Stipulated Judgment as to that Retrofit Property. After ninety (90) days following the receipt by NFHA of each certificate, the Inspector's certification cannot be disputed for any reason in fact or law.

**VII. SPANOS'S SALE OR TRANSFER OF OWNERSHIP
INTEREST IN A RETROFIT PROPERTY**

The sale or transfer, in whole or in part, of an ownership interest in any of the Retrofit Properties by Spanos after the entry of this Stipulated Judgment shall not affect Spanos's obligation to complete the Alterations at a Retrofit Property. Should Spanos decide to sell or transfer any ownership interest in a Retrofit Property prior to the completion of the Alterations provided for under this Stipulated Judgment, Spanos will provide written notice to each buyer or transferee that Spanos is required to complete the Alterations pursuant to this Stipulated Judgment. Spanos shall either complete the Alterations prior to the sale or transfer of the Retrofit Property or obtain written consent of the new buyer(s)/transferee(s) to have these Alterations performed within the time frame allotted herein at the Retrofit Property after the new Owner takes possession of the Retrofit Property. Not later than fourteen (14) days after such sale

or transfer, Spanos shall notify Plaintiffs in writing of actions that Spanos has taken in accord with this provision.

VIII. ADDITIONAL SUBJECT PROPERTIES

In the event an additional Covered Multifamily Dwelling designed and/or constructed by Spanos for first occupancy after March 13, 1991, is identified subsequent to the entry of this Stipulated Judgment, any Party may move the Court to amend this Stipulation to include such property as a Subject Property. If the Court grants such a motion, Spanos may, in consultation with Plaintiffs, (1) elect to treat the additional Subject Property as a Retrofit Property and make Alterations in a manner consistent with the provisions of Section VI, or (2) make an additional payment to the NFHA Housing Accessibility Fund (pursuant to Section IX A) for each additional Covered Unit pursuant to the formula provided in Section V C. Once the Alterations are completed at the additional Covered Multifamily Dwelling and certified by the Inspector or payment funds are deposited, Spanos shall have no further obligations under this Stipulated Judgment regarding any such additional Subject Property.

IX. RETROFITTING FUND TO PROVIDE FOR HOUSING ACCESSIBILITY EQUIVALENCY

In order to eradicate the effects of the alleged violations set forth in the FAC and address the loss to the nation's housing market arising from the alleged lack of units accessible to persons with disabilities, Spanos agrees to fund the following housing accessibility equivalency fund (the following measures are collectively identified as "Retrofitting Fund"):

A. The NFHA Housing Accessibility Fund: Spanos shall, over a period of five (5) years, pay the total sum of Four Million Two Hundred Thousand Four Hundred and Sixty-Six

Dollars (\$4,200,466.00) (“Total Contribution”) to NFHA for the NFHA Housing Accessibility Fund. This payment will be made as follows: (1) within thirty (30) days after Final Judgment (“Initial Payment Date”), Spanos shall pay the sum of Three Hundred and Fifty Thousand Dollars (\$350,000.00); (2) on or before the first anniversary of the Initial Payment Date, Spanos shall pay the sum of Five Hundred Thousand Dollars (\$500,000.00); (3) on or before the second anniversary of the Initial Payment Date, Spanos shall pay the sum of Five Hundred Thousand Dollars (\$500,000.00); (4) on or before the third anniversary of the Initial Payment Date, Spanos shall pay the sum of Eight Hundred Thousand Dollars (\$800,000.00); (5) on or before the fourth anniversary of the Initial Payment Date, Spanos shall pay the sum of One Million Twenty-Five Thousand Two Hundred and Thirty-Three Dollars (\$1,025,233.00); (6) on or before the fifth anniversary of the Initial Payment Date, Spanos shall pay the sum of One Million Twenty-Five Thousand Two Hundred and Thirty-Three Dollars (\$1,025,233.00).⁴

In addition to the sum mentioned in the previous paragraph of Section IX A of this Stipulated Judgment Spanos shall, within thirty-six (36) months after Final Judgment, pay into the NFHA Accessibility Fund a sum specified in the Performance Protocols with respect to each Retrofit Property where Spanos has made the election under the Performance Protocols to pay an in lieu amount in place of making Alterations at the particular Retrofit Property.

All sums received by NFHA pursuant to this section shall be administered by NFHA in a separately defined program within NFHA. The NFHA Housing Accessibility Fund shall provide a means for individuals with disabilities or parents/guardians with children with disabilities who

⁴ Spanos agrees to pay said sum by wire transfer to Plaintiffs in care of Plaintiffs’ counsel, Relman and Dane, PLLC, 1225 19th Street N.W., Suite 600, Washington, D.C. 20036-2456. Relman and Dane shall provide Spanos with wire transfer instructions within five (5) days after Final Judgment.

reside in the metropolitan areas identified in Appendix C to make modifications to increase accessibility in their residential dwellings.

B. Community Accessibility Contributions: Spanos agrees to contribute to Plaintiffs the Total Contribution of Seven Hundred Fifty Thousand Dollars (\$750,000.00). This shall be accomplished by annual payments of Fifty Thousand Dollars (\$50,000.00) to each of the Plaintiffs for a period of three (3) years. These annual payments shall be within ten (10) days after Final Judgment and within ten (10) days after the first and second anniversaries of Final Judgment. These payments shall be for the purpose of improving housing accessibility in the service area of each respective Plaintiff. For purposes of this provision only, the service area of the National Fair Housing Alliance is the Washington, D.C. metropolitan area. Plaintiffs will administer these contributions to provide grants or no-interest loans for greater accessibility for people with disabilities. Plaintiffs will inform recipients that the funds have been provided by the A.G. Spanos Companies to enhance the accessibility of their homes/apartments.

C. Media Campaign on Accessibility: Within ninety (90) days after Final Judgment, Spanos shall contribute the total sum of One Hundred Thousand Dollars (\$100,000.00) to the National Fair Housing Alliance for purposes of supporting the multi-media campaign promoting the benefits of living in communities that provide housing opportunities for everyone, especially people covered by the FHAA.

D. Coalition Building: Within sixty (60) days after Final Judgment, Spanos shall contribute Forty Thousand Dollars (\$40,000.00) to the National Fair Housing Alliance to support the development of a coalition representing construction, social services, medical, city/county

planners, architects, fair housing practitioners, and advocacy professionals to identify new construction and modification needs and to increase the supply of accessible housing. This coalition will be established in Atlanta, GA through NFHA and Metro Fair Housing Services. The final report from the coalition will be made available on the Plaintiffs' websites. A news release will be issued by NFHA and MFHS announcing the completion of the coalition's work, releasing the report, and noting the financial support of the A.G. Spanos Companies.

X. FUTURE COMPLIANCE PROVISIONS

In order to prevent the recurrence of the alleged violations, Spanos agrees, for a period of six (6) years after Final Judgment, to comply with and perform each of the following:

A. General Provisions:

Subject to the terms of this Stipulated Judgment, Spanos shall design and construct any new Covered Multifamily Dwellings in compliance with 42 U.S.C. § 3604, subdivisions (f)(1)-(3), as amended.

B. Notice to, and Education of, Spanos's Current and Future Employees:

1. Spanos agrees to provide all of its employees who have supervisory authority over the design and/or construction of Covered Multifamily Dwellings with a copy of the following publications: *Fair Housing Accessibility Guidelines*, 56 Fed. Reg. 9472 (1991) and the United States Department of Housing and Urban Development, *FHA Design Manual, A Manual to Assist Builders in Meeting the Accessibility Requirements of the FHA* (August 1996, Rev. April 1998).

2. Within thirty (30) days after Final Judgment, Spanos agrees to provide to all of its then-current employees who have supervisory responsibility for the design and/or construction of Covered Multifamily Dwellings a copy of this Stipulated Judgment. Spanos shall require each such employee to sign a statement acknowledging that he or she received and read the Stipulated Judgment and had an opportunity to have questions about the Stipulated Judgment answered. This statement shall be substantially similar to the form in Appendix E. A copy of each statement shall be retained by Spanos and made available to NFHA upon request for a period of three (3) years after each statement is signed.

3. Each new employee who commences an employment relationship with Spanos and who has supervisory responsibility for the design and/or construction of Covered Multifamily Dwellings shall be given a copy of this Stipulated Judgment. Within thirty (30) days of their becoming an employee, Spanos shall require each such new employee to sign a statement acknowledging he or she received and read the Stipulated Judgment and had an opportunity to have questions about the Stipulated Judgment answered. This statement shall be substantially similar to the form in Appendix E. A copy of each statement shall be retained by Spanos and made available to NFHA upon request for a period of three (3) years after each statement is signed.

4. Spanos agrees that within six (6) months after Final Judgment, Spanos will arrange for then-current employees who have supervisory authority over the design and/or construction of Covered Multifamily Dwellings to have training in the requirements of 42 U.S.C. § 3604, subdivisions (F)(1)-(3) if such employee has not previously received such training.

Plaintiffs agree that LCM shall be an acceptable proposed trainer. Any other proposed trainers shall be submitted to NFHA for its approval, but that approval shall not be unreasonably withheld. Any supervising employee who previously received training, shall provide a copy of the curriculum, if available, to NFHA. Any employee trained under the provisions of this section shall sign a statement acknowledging completion of the training. A copy of each statement shall be retained by Spanos and made available to NFHA upon request for a period of three (3) years after each statement is signed.

C. Notice to Public:

1. Within thirty (30) days after Final Judgment, Spanos agrees to post and prominently display in the sales or rental offices of all Covered Multifamily Dwellings owned in whole or in part and/or managed by Spanos, a sign no smaller than 10 inches by 14 inches indicating that all dwellings are available for rental on a nondiscriminatory basis. A poster that complies with 24 C.F.R. Part 110 will satisfy this provision of this Stipulated Judgment.

2. Spanos shall include in all future advertising in newspapers, pamphlets, brochures, websites, and other promotional literature regarding any multifamily rental property owned in whole or in part and/or managed by Spanos, the universal symbol of accessibility (see below) and the following: “This property includes apartment units and common area features that are accessible to and usable by people with disabilities.”

3. Spanos agrees that as soon as the Alterations provided for under this Stipulated Judgment are completed, Spanos will list with the National Accessible Apartment Clearinghouse each Retrofit Property that is owned in whole or in part and/or is managed by Spanos, provided that the listing imposes no duties or obligations beyond the requirements of this Stipulated Judgment. Spanos agrees to periodically update this listing so as to provide current information as to the availability of accessible units for persons with disabilities.

D. Survey and Certification of Future Covered Housing:

To facilitate compliance with the FHAA's design and construction requirements for Covered Multifamily Dwellings placed in service after Final Judgment, Spanos agrees that upon completion of the construction of any new Covered Multifamily Dwelling which Spanos begins designing and/or constructing after Final Judgment, a design professional shall conduct an on-site survey of at least one of each type of Covered Unit at the Covered Multifamily Dwelling (i.e., one unit classified as an A Unit [one bedroom] and one unit classified as a B Unit [two bedroom] as well as a survey of the common use facilities at the Covered Multifamily Dwelling and certify in writing in the form attached hereto as Appendix G that the project has been constructed in compliance with 42 U.S.C. § 3604, subdivision (F)(1)-(3), as amended. A copy of that written certification shall be provided to NFHA upon request. Plaintiffs agree that LCM may conduct such survey and provide this certification. If during the life of this Stipulated Judgment, Spanos selects any other design professional to perform this certification, Spanos shall submit the name and credentials of that design professional for approval by NFHA. This approval shall not be unreasonably withheld.

XI. DIVERSION OF RESOURCES

Spanos agrees to pay the total sum of Nine Hundred and Fifty Thousand Dollars (\$950,000.00) to Plaintiffs for alleged damages and expenses for (a) the diversion of Plaintiffs' resources; (b) the frustration of Plaintiffs' mission; (c) claims arising from the alleged injuries sustained at the Subject Properties relating to the matters alleged in the FAC; and (d) reimbursement of Plaintiffs' alleged costs and expenses relating to the investigation of the Subject Properties. This sum constitutes payment in full for all such costs, expenses, and alleged damages Plaintiffs have incurred and will incur through Final Judgment. The Nine Hundred Fifty Thousand Dollars (\$950,000.00) to be paid Plaintiffs for alleged damages and expenses as set forth above, shall be paid as follows: (a) within ten (10) days after entry of this Stipulated Judgment, Spanos agrees to pay Four Hundred Seventy-Five Thousand Dollars (\$475,000) by wire transfer to Plaintiffs in care of Plaintiffs' counsel, Relman and Dane, PLLC, 1225 19th Street N.W., Suite 600, Washington, D.C. 20036-2456; and (b) within thirty (30) days after receipt of Final Judgment, Spanos agrees to make an additional payment of Four Hundred Seventy-Five Thousand Dollars (\$475,000) by wire transfer to Plaintiffs in care of Plaintiffs' counsel, Relman and Dane, PLLC. Relman and Dane shall provide Spanos with wire transfer instructions within five (5) days after Final Judgment.

This sum excludes payment for Plaintiffs' litigation costs, expenses, and attorneys' fees, which is provided for in Section XII below.

In the event that the Stipulated Judgment is reversed after appeal, Spanos shall receive a credit in the amount of the Four Hundred Seventy-Five Thousand Dollars (\$475,000.00) paid by

Spanos against any sums due Plaintiffs in this Action, and if Plaintiffs are ultimately awarded by the court less than Four Hundred Seventy-Five Thousand Dollars (\$475,000.00) in this Action, Plaintiffs shall return the balance of said monies to Spanos.

XII. PAYMENT OF PLAINTIFFS' ATTORNEYS' FEES AND COSTS

A. Spanos agrees to pay Plaintiffs' counsel the total sum of One Million Three Hundred Twenty-Five Thousand Dollars (\$1,325,000.00) as reasonable attorneys' fees, litigation expenses, and costs incurred by Plaintiffs through Final Judgment and for Plaintiffs' counsel's reasonable attorneys' fees, expenses, and costs for work performed assisting Plaintiffs in monitoring Spanos's compliance with the terms of this Stipulated Judgment which may be incurred. This sum represents Plaintiffs' and Spanos's agreement to reach a liquidated figure, taking into account Plaintiffs' and Spanos's best estimate of reasonable attorneys' fees, litigation expenses, and costs that Plaintiffs have and will incur, as well as the importance of the case, the quality of legal representation, the results obtained, and the expenditure of time and resources. The One Millions Three Hundred Twenty Five Thousand Dollars (\$1,325,000.00) to be paid Plaintiffs for the reasonable attorneys fees, litigation expenses and costs as set forth above, shall be paid as follows: (a) within ten (10) days after entry of this Stipulated Judgment, Spanos agrees to pay Six Hundred Sixty Two Thousand Five Hundred Dollars (\$662,500) by wire transfer to Plaintiffs' counsel, Relman and Dane, PLLC, 1225 19th Street N.W., Suite 600, Washington, D.C. 20036-2456; and (b) within thirty (30) days after receipt of Final Judgment, Spanos agrees to make an additional payment of Six Hundred Sixty Two Thousand Five Hundred Dollars (\$662,500) by wire transfer to Plaintiffs' counsel, Relman and Dane, PLLC.

Relman and Dane shall provide Spanos with wire transfer instructions within five (5) days after Final Judgment. Plaintiffs and their attorneys waive all rights to seek from Spanos any further attorneys' fees, litigation expenses and costs of any kind incurred and/or generated in connection this Action including, but not limited to, those which have been, or may be, incurred entering into this Stipulated Judgment, monitoring the terms of this Stipulated Judgment, and enforcing, if necessary, the terms of this Stipulated Judgment.

In the event that the Stipulated Judgment is reversed after appeal, Spanos shall receive a credit in the amount of the Six Hundred Sixty Two Thousand Five Hundred Dollars (\$662,500.00) paid by Spanos against any sums due Plaintiffs in this Action, and if Plaintiffs are ultimately awarded by the court less than Six Hundred Sixty Two Thousand Five Hundred Dollars (\$662,500.00) in this Action, Plaintiffs shall return the balance of said monies to Spanos.

XIII. MONITOR

A. Plaintiffs and Spanos shall endeavor to resolve informally any dispute regarding the interpretation of, and/or compliance with, this Stipulated Judgment. In the event Plaintiffs and Spanos are unable to informally resolve any such dispute, Plaintiffs and Spanos shall enlist the aid of the Monitor.

B. Plaintiffs and Spanos agree to resolve any disputes which cannot be resolved informally, arising in connection with this Stipulated Judgment exclusively through a Monitor in San Francisco, California or at such other location as agreed by Plaintiffs and Spanos. Plaintiffs and Spanos agree that Viggo Boserup shall serve as the Monitor. If Viggo Boserup cannot serve and Plaintiffs and Spanos are unable to agree upon a replacement Monitor, the Monitor shall be

selected through Judicial Arbitration and Mediation Services (“**JAMS**”) in accordance with the rules of JAMS in effect at that time, as of the initiation of the arbitration (“**JAMS Rules**”). The Monitor shall be neutral and impartial and be either a retired judge or a member or former member of the California State Bar with at least fifteen (15) years experience as a practicing lawyer. Plaintiffs and Spanos shall submit the name of the Monitor selected by JAMS to the Court for approval.

The Monitor’s duties shall include, but not be limited to, assisting the Court, the Plaintiffs and Spanos, and Owners (a) in resolving disputes between Plaintiffs and Spanos arising under this Stipulated Judgment; (b) in resolving disputes between Plaintiffs and Spanos and the Owners concerning the implementation of this Stipulated Judgment; and (c) regarding any additional purpose for which the Court requests the Monitor’s assistance. The Monitor’s appointment shall expire six (6) years after Final Judgment unless extended by agreement of Plaintiffs and Spanos or otherwise ordered by the Court.

Spanos will pay all costs and expenses associated with the Monitor’s position and services, but the Monitor is accountable only to the Court. Except upon approval by the Plaintiffs, Spanos may not offer or guarantee the Monitor employment in any form, including, but not limited to, a position as a consultant or independent contractor, until six (6) years after expiration of the Monitor’s appointment pursuant to this Stipulated Judgment.

XIV. COURT’S RETENTION OF JURISDICTION

The Court shall appoint a Magistrate Judge who shall retain jurisdiction to interpret and enforce the terms of this Stipulated Judgment.

Re: Fair Housing Amendments Act Retrofits at _____ [Name of Apartment Complex]

Dear Madam or Sir:

We previously sent you a letter regarding the controversy between A.G. Spanos Construction, Inc.; A.G. Spanos Development, Inc.; A.G. Spanos Land Company, Inc.; A.G. Spanos Management, Inc.; and The Spanos Corporation (“Spanos”) and several fair housing organizations (“Plaintiffs”) regarding whether certain aspects of some apartment complexes developed by Spanos create barriers to access by people with disabilities in violation of the Fair Housing Amendments Act.

In our previous letter, we informed you that Spanos was involved in the development of _____ [name of Apartment Complex]. Spanos asked your permission to enter onto the premises and complete certain retrofits to individual units and common use areas, pursuant to a tentative agreement reached between Spanos and Plaintiffs. Spanos’ agreement to perform the retrofits was conditioned upon court approval of the final resolution of the lawsuit.

The purpose of this letter is to inform you that the court has approved the resolution. If you have already informed Spanos of your agreement to allow Spanos access to your property, you need do nothing in response to this letter. A Spanos representative will be in contact with you.

If you have not informed Spanos of your agreement to allow Spanos to enter your premises and do the work on the individual units and common use areas, and you now agree, please sign below and return this letter to _____ or you may call _____ at _____ to discuss this matter.

Thank you for your cooperation and I look forward to speaking with you.

Very truly yours,

I AGREE TO PERMIT SPANOS TO PERFORM THE RETROFITS AT A MUTUALLY
CONVENIENT DATE AND TIME.

APPENDIX F

CERTIFICATION OF PROPERTY AS COMPLIANT WITH FHAA

LCM Architects ("LCM") has reviewed _____ (the "Property") for compliance with the requirements of 42 U.S.C. § 3604 subdivision (f)(1)-(3) as amended ("FHAA") applicable to covered multifamily dwellings built for first occupancy after the effective dates for accessible design and construction set forth in the FHAA. There may be additional accessible design and construction requirements applicable to the Property under state or local law which we have not addressed.

The construction of the Property is the responsibility of the Architect of Record, Developer, Owner or General Contractor of the Property. LCM's responsibility is to express an opinion on the Property as constructed based on our review of the property. This review is intended to serve as a peer review and does not remove or limit the liability for FHAA compliance from the Architect of Record, Developer, Owners or General Contractor of the Property.

We conducted our review to obtain a reasonable basis for our opinion. This included reviewing, on a test basis, architectural elements of the covered common areas, dwelling units and routes into and through the Property as constructed; we did not review every architectural element throughout the Property. The requirements for accessible design and construction in multifamily housing are subject to changing and evolving interpretations and court decisions as to which design experts and code officials may disagree. Further, compliance with the FHAA may be accomplished by various and differing design solutions. In addition, HUD has recognized several "safe harbors" for FHAA compliance, and these safe harbors differ as to particular accessible design requirements. LCM does not warrant or guarantee that the Property as constructed complies with the FHAA or with the interpretations of the FHAA. Without limiting the generality of the foregoing, the opinion of LCM is not intended to be relied upon by any third party, such as any purchaser or tenant of the properties in questions or units in such properties, representatives of purchasers or tenants, or any other person or entity.

Subject to the foregoing, in the opinion of LCM, based upon LCM's exercise of professional judgment, the Property as constructed is in compliance with the FHAA.

APPENDIX G

CERTIFICATION OF PROPERTY AS COMPLIANT WITH STIPULATED JUDGMENT

LCM Architects ("LCM") has reviewed _____ (the "Property") for compliance with the requirements of the Stipulated Judgment.

We conducted our review to obtain a reasonable basis for our opinion. This included reviewing, on a test basis, architectural elements listed in the Consensus Report for the Property. We did not review every architectural element throughout the Property. The requirements for accessible design and construction in multifamily housing are subject to changing and evolving interpretations and court decisions as to which design experts and code officials may disagree. Further, compliance with the FHAA may be accomplished by various and differing design solutions. In addition, HUD has recognized several "safe harbors" for FHAA compliance, and these safe harbors differ as to particular accessible design requirements. LCM does not warrant or guarantee that the Property as constructed complies with the FHAA or with the interpretations of the FHAA. Without limiting the generality of the foregoing, the opinion of LCM is not intended to be relied upon by any third party, such as any purchaser or tenant of the properties in questions or units in such properties, representatives of purchasers or tenants, or any other person or entity.

Subject to the foregoing, in the opinion of LCM, based upon LCM's exercise of professional judgment, the Property as constructed is in compliance with the Stipulated Judgment.
